Rubén Romera Sánchez

Denia, Alicante, Spain · LinkedIn · +34 673 084 317 · email@rubenromera.com · rubenromera.com

Full-stack developer with over 4 years of experience building web and mobile applications for clients including BBVA and CaixaBank. Specialized in React and Node.js, with experience developing AI-powered tools, automating business processes, and delivering technical training.

PROFESSIONAL EXPERIENCE

NEVERHACK *July 2024 – Present*
Full-Stack Software Developer

- Developed and maintained frontend features for **BBVA**, collaborating with a Scrum team to deliver new functionality and improve the user experience.
- Improved **Neverhack's** internal ERP using React and Node.js, reducing load times for employee timesheets and automating payroll-related calculations.
- Delivered technical training sessions and webinars on artificial intelligence and emerging technologies, facilitating their adoption among **Neverhack** developers.
- Developed and maintained an artificial intelligence tool for **CaixaBank**, automating competitor analysis and supporting strategic decision-making.

NTT DATA *September 2022 – June 2024*
Frontend Developer

- Collaborated with **CaixaBank's** frontend development team to optimize mortgage offer simulators using React and agile methodologies.
- Implemented features for the **Pepephone** mobile app using React Native, contributing to cross-platform development.
